

Nitin Ulhas Chavhan

React Native Developer | 2+ Year Experience

Pune • +91 7218686865 • nitinchavhanps2@gmail.com

Highly motivated and skilled React Native Developer with 2+ year of experience in building scalable mobile applications using React Native, Redux, Expo, Firebase, and modern web technologies. Proficient in cross-platform development, API integration, and app store deployment. Committed to continuous learning and delivering high-quality user experiences.

Experience

JAN 2025 – MARCH 2025

NEOGECKO | Freelancing | Delhi, India

- Developed a cross-platform mobile app to deliver real-time crypto news, token updates, and upcoming airdrops & ICO listings.
- Implemented dynamic filtering by category (news, ICO, airdrops) and token type.
- Designed responsive UI with dark/light theme and user-friendly navigation.
- Used Firebase for authentication and user preference saving.

JUNE 2024 – AUGUST 2024

Raha Insurance | imcareer technologies, Hyderabad | Remote

- Developed the complete frontend interface for a multi-category insurance platform offering health, motor, travel, life, and property insurance.
- Implemented modular UI components and screens using React Native CLI with Expo for rapid iteration and cross-platform deployment.
- Integrated RESTful APIs to fetch real-time insurance data, claim statuses, and user-specific policy details.

MARCH 2024 – MAY 2024

Frissly | imcareer technologies, Hyderabad | Remote

- Developed the frontend of a cross-platform mobile application delivering freshly prepared, organic meals with a zero-inventory model.
- Collaborated with backend teams to fetch and display dynamic content such as menus, order statuses, and delivery updates via RESTful APIs.

MAY 2023 – DEC 2023

Local Offer Wala | ASW Technologies Pvt.Ltd | Nagpur

- Implemented interactive UI components for vertical video swiping, wishlist management, and direct vendor contact functionalities.
- Optimized the application for performance and responsiveness across Android and iOS platforms, ensuring a seamless user experience.

SEP 2022 – MAY 2023

Booksinvoice | ASW Technologies Pvt.Ltd | Nagpur

- Developed the frontend of a cross-platform mobile application delivering Hindi audiobooks, stories, and cultural content, catering to a diverse user base including visually impaired individuals.
- Collaborated with backend teams to consume RESTful APIs for dynamic content rendering, including audio playback and user-specific recommendations.
